My dear Mr. Dulles,

I am pleased that you have given favorable consideration to the proposal of having members of the OPNAV Unconventional Activities Group establish liaison with agency staff members and plan for activities of our mutual interests. The Chairman of the OPNAV Group is Captain A. F. Schade of the Strategic Plans Division, Code 11, extension 75952 and the working member of the group is Captain R. S. Osterhoudt, Code 11, extension 55706.

I would appreciate it very much if you could ask your designated representative to call either of the above named officers for the purpose of arranging details of operations of mutual interest.

Sincerely,

  
ARLEIGH BURKE

Honorable Allen W. Dulles  
Director,
